CLASSIC LINE  
ECO LINE

# THERE IS POWER IN SIMPLICITY

.....

**Classic Line kitchens** were created for people who appreciate beauty and look for functional solutions at an affordable price. **The Classic Line collection includes 8 models** that can constitute a unique base for any kitchen. With over forty different shapes to choose from, you can easily create a kitchen structure tailored to your needs.

## Possibilities

In our offer, **you can compose the set yourself**, choosing from a variety of elements that fit your lifestyle and kitchen space. However, if you do not feel confident in design, **you can choose a ready-made set** created by our experienced designers.

## Availability

Kitchens from the Classic Line collection are **available immediately**, which means quick purchase and collection without long waits for delivery. The **furniture comes with clear instructions**, so anyone can assemble the kitchen.

## Latest trends at a good price

Kitchens from the Classic Line collection not only impress with their functionality, but also reflect **the latest stylistic trends**, allowing you to create **a fashionable** space without burdening your home budget. **Choose solidity, aesthetics and modernity** in your new kitchen.
